

45. (new) The method of claim 28, wherein said support element is needed.

46. (new) The method of claim 34, further comprising needling the mat.

---

**Remarks**

Claims 1-40 were originally filed in United States Serial No. 09/560,469 on April 28, 2000. Claims 41-46 have been added by the present Preliminary Amendment. Applicants previously paid for a total of 40 claims, including 4 independent claims. Applicants have enclosed a check in the amount of \$108.00 to cover the cost of the new claims. For the convenience of the Examiner, Applicants have also enclosed a Patent Application Fee Determination Record.

Claims 41-46 have been added to the present application to claim alternative embodiments of the invention, namely, wherein the support element is needle-punched. Support for the new claims can be found in the specification at page 18, lines 11-12.

Applicants respectfully request favorable examination and the issuance of a formal Notice of Allowance directed to claims 1-46. Should the Examiner have any questions, Applicant's undersigned attorney would welcome a telephone call.

Respectfully submitted,

  
\_\_\_\_\_  
Joseph G. Curatolo, Esq. (Reg. No. 28,837)  
Renner, Kenner, Greive, Bobak, Taylor & Weber
